

First and foremost, submitting your film to GLITTER, in no way implies any ownership rights by GLITTER to the submitted film. You own your project. If you are approached by anyone to option your film as a result of being listed on our website or being screened at GLITTER, we do not take a cut of the deal. It is your film and all rights remain yours. If you have any questions, please do not hesitate to ask. Our door is always open to our filmmakers.

To be eligible to screen, your film does not have to be a World Premiere or a USA Premiere. Films can be original or adapted works. However, ALL non-original portions of your film MUST be cleared and You must have permission to use someone else's work. If you submit a film with copyrighted or trademarked materials included and you do not have written permission to use them, you will not be eligible to screen at EFF. Also, you should copyright your film with the proper agency (in the USA, it's the Library of Congress). It is not required for screening at GLITTER, but it is smart on your part to protect your work.

All production formats are eligible. Your film needs to be in English, or subtitled or dubbed in English. Whether or not your film has already been distributed or not, has no bearing on our selection process. Film selections and award nominees will be posted on the GLITTER website, and email confirmation, approximately 6 weeks before the festival or sooner.

****WE REQUEST THAT ONCE YOU HAVE SUBMITTED YOUR FILM - PLEASE EMAIL US A DOWNLOADABLE LINK FOR SCREENING TO EXPEDITE THE PROCESS ****

If you submit a DVD OR BLUERAY, please make sure it works. TEST IT ON AN ACTUAL DVD PLAYER to make sure it works. Sometimes, home-burned DVDs do not work, and YOU are SOLELY RESPONSIBLE for GLITTER being able to screen your film. Make sure your DVD works and also provide a source of wifi download for backup.

Submit your film under whatever category you feel is appropriate to best highlight your film. For your convenience, GLITTER does not change your film submission category. GLITTER leaves your film submission in the category you have chosen (example: if you submit your film as a short film, rest assured that it will be considered as a short film). Also, if you submit online, please print out your submission confirmation and include it in your submission mailing.

It is fine with us if you send in a DVD that is hand written. We do not select our films based on the packaging. GLITTER does accept films that are Works-In-Progress. Only one movie per DVD and only one film per application. If entering more than one movie, you must submit each separately. Each project is judged solely on its merits.

Please clearly label ALL submitted materials with AT LEAST the title of the work. GLITTER does not return submitted materials, so please do not send us your master copies. Also, GLITTER cannot grant waivers for fees or deadlines. Please do not ask

ALL of your submission entry items (entry fee, copy of your Film, application form) must be POSTMARKED by the deadline date that you are trying to submit by, in order to qualify for that deadline date.
